Good Times Crack + Keygen Free Download For Windows [April-2022]

It is a cross between the traditional clicker game and the block game. Each player has a button and the objective of the game is to press the button as fast as you can. The game starts, players are given a few minutes to start their game, then the round ends and the players who reached the fastest time win. The game is quite addictive, fun to play and social, there is no upper time limit, although players may submit a time of three minutes, just in case they are not fast enough.
